“ I want to send my condolences to Nancy's family. She was a real friend to all she worked with. She helped us so much when we built our house in Montebello. She talked about her sons Mike and Tim with so much pride and then the grandsons came along and were all so special to her.  
Nancy had so much enthusiasm for Life. Nancy will be greatly missed!

“ Nancy always called me with a plan. She would be working on ideas all year long for July 4th, Labor Day, Christmas, etc. We would dig for hours in her garage through the 150 inflatables she had looking for that perfect decoration. I know we jokingly sometimes referred to her as my “girlfriend “ because I would be over there at night digging through boxes. I will greatly miss her. Prayers for Tim, Mike, and the family.

“ Volunteering for Half Mile Lake HOA is where I met Nancy the first time. Her laugh and smile was contagious. Every person Nancy met became a fast friend. I loved her honesty and candidness because she would say with her mouth or eyes what everybody was thinking but afraid to say. Our meetings were anything but boring, Nancy kept us entertained. I'm sad, I lost a friend and didn't get to tell her bye or laugh one more time with her.  
She will be greatly missed. Prayers for all her boys
